FOREWORD

On these pages many of the experiences that soon will become memories to all of us are recorded. In years to come, we, the class of '62, will re-live those former days so joyous and carefree with our reminiscences of Epsom High.

We hope that you, too, may recall with pleasure your years spent in our beloved school.

THE STAFF

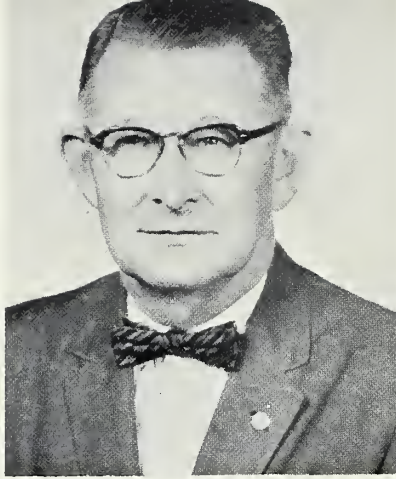

DEDICATION

Only a few teachers can we students honestly designate as exceptional teachers. They gain this distinction by qualifications of fairness, sympathy, and genuine concern for students.

To one who has taught us to strive for victory and success, always with fairness and spirit and with earnest sincerity, we, the senior class of 1962, wish to dedicate our yearbook to Mrs. Lallie Joyner who taught us in the fifth, sixth, and seventh grades.
